# What did Nick do that day?

Dear Lily,

How was your day off? Did you have fun camping? I didn' t have a very fun day. visited my cousins . It rained all day. In the morning I stayed in the house and watched DVDs , played computer games and read . In the afternoon, Uncle Martin put some of his old things out in the yard and had a yard sale! However, no one came to the sale because the weather was so bad. Luckily, we brought our umbrellas and raincoats, so we didn' t get wet.

See you soon,  
Nick
