1. How does Danny like to travel?

Danny likes to walk.

2.How does Jenny like to travel ?

Jenny likes to take a train.

3.Why can't Brain take a train to London?

Because London is across the ocean.

Write true(T) or false(F).

1. Danny likes to travel on foot.(T)

2. Brain would like to take a train to London.(F)

3. Jenny likes to travel by plane.(F)

by train

take a plane to London

4. It would take a long time to take a ship to Brain's hometown. (T)

Fill in the blanks according to the text.

Danny likes to walk. He can go almost anywhere on foot. He can walk to the bakery to buy donuts. But he can't go to another city on foot, because that would be too far.

Jenny likes to take a train. It's her favourite type of transportation.

Brian thinks the train is good, but he couldn't take a train to London to visit his parents. London is across the ocean. He could take a ship to London, but it would take a long time. Brian seldom travels by ship. He likes travelling by plane.

Work in groups

Make an interview (采访):

eg: A: Hello, Li Ming! How do you like to travel?

B: I like to travel by train.

Name	transportation
Li Ming	by train

Report:

Li Ming likes to travel by train.
