Homework

If the boat of your dream doesn't come to you, swim to it.

Sample One

Titanic, a romance, tells us the most impressive love story that happened between Jack and Rose on the famous ship—Titanic. Actually, besides love, we can also find the human **splendors and weaknesses** (光辉与阴暗) when people are faced with the disaster (灾难) .

From the story, I can feel that love, the most beautiful thing in the world, can touch us one moment, but last for a lifetime. No matter where two people live, near or far, as long as the genuine (真诚的) hearts never change, love will never stop. Just as the song says, their hearts will go on.

It's the best choice to watch *Titanic* if you want to find an unforgettable love story. I'm sure it will move you deeply.

Sample Two

Last week I watched *Meet the Parents* and was very pleased with the movie. It is a comedy which tells us what happens when a man goes to his girlfriend's family for the first time. Long story short, this guy ends up getting himself into a lot of trouble.

This movie is filled with amazing actors who truly make the film. They all did a good job in the movie. One of the best things about this movie is that it's so relatable(能引起共鸣的). Everyone may meet those problems in our real lives.

All in all, this is a great movie with lots of laughs and a love story all rolled into one. If you're looking for something exciting and funny, it is worth a few hours of your time.
